[OST Docket No. 1; Amdt. 1-2391]

**Organization and Delegation of Powers and Duties**

**AGENCY:** Office of the Secretary, Department of Transportation (DOT).

**ACTION:** Final rule.

**SUMMARY:** This document delegates authority to the Administrators of the Department of Transportation's Operating Administrations to carry out the provisions of the Sanitary Food Transportation Act of 1990 (Pub. L. 101-500).

**EFFECTIVE DATE:** February 20, 1991.

**FOR FURTHER INFORMATION CONTACT.**

Mary M. Crouter, Senior Attorney, Office of the Chief Counsel, Research and Special Programs Administration, DCC-1, U.S. Department of Transportation, 400 Seventh Street SW., Washington, DC 20590; telephone number (202) 366-4400, or Steven B. Farbman, Office of the Assistant General Counsel for Regulation and Enforcement, C-50, U.S. Department of Transportation, 400 Seventh Street SW., Washington, DC 20590, telephone number (202) 366-9307.

**SUPPLEMENTARY INFORMATION:**

On November 3, 1990, the President signed the Sanitary Food Transportation Act of 1990 (SFTA; Pub. L. 101-500). The SFTA requires the Secretary of Transportation, in consultation with the Secretary of Agriculture, the Secretary of Health and Human Services, and the Administrator of the Environmental Protection Agency, to issue regulations with respect to the transportation of food, food additives, drugs, devices, and cosmetics in motor vehicles and rail vehicles which are used to transport either refuse or other nonfood products which, when so transported, would make such food, food additives, drugs, devices, or cosmetics unsafe to the health of humans or animals.

Section 9 of the SFTA provides that the Secretary of Transportation may implement the SFTA through means that include inspections conducted by state employees who are funded under the

Program (MCSAP). The Secretary, in cooperation with the other 1 agencies, is required to develop and carry out a training program for inspectors to conduct vigorous enforcement of the statute and regulations. Section 10 of the SFTA provides that the Secretary has the same powers and duties as the Secretary has under section 109 (other than subsections (d) and (e)) of the Hazardous Materials Transportation Act (HMTA).

Section 11 of the SFTA provides that civil and criminal violation regulations or orders issued by the Secretary shall be determined, in the same manner and to the same extent that violations are determined and penalties are imposed under section 110 of the HMTA. Section 11 also provides for equitable relief in the same manner and to the same extent that the Secretary is authorized to take such action under section 111 of the HMTA. Section 12 of the SFTA provides that the provisions of the HMTA relating to the relationship of that Act to a law or other requirement of a State, political subdivision, or Indian tribe shall apply with respect to the relationship of the SFTA to a law or other requirement of a State, political subdivision, or Indian tribe which concerns a subject covered under the SFTA. This amendment delegates the authority of the Secretary to issue regulations and enforce the SFTA to the Administrators of certain of the Department of Transportation Operating Administrations.

Section 15 of the SFTA, the Motor Carrier Safety Act of 1990, amends the Hazardous Materials Transportation Act, 49 U.S.C. 1801 et seq., to prohibit a motor carrier receiving an unsatisfactory safety rating from operating a commercial motor vehicle to transport (1) hazardous materials for which placarding is required, or (2) more than 15 passengers, including the driver. Section 15 also requires the Secretary to issue regulations establishing a system to make safety ratings readily available to the public, and establishing procedures to ensure the correction of violations noted during inspections funded under MCSAP. Section 15 provides that the Secretary shall establish operational procedures to initiate enforcement action for serious safety violations, and requires the Secretary to initiate rulemaking on the need to make trucks more visible to motorists so as to reduce accidents. This amendment delegates the authority of the Secretary under Section 15 of the SFTA to the Administrators of the

Federal Highway Administration and the National Highway Traffic Safety Administration.

Since these amendments relate to Departmental management, notice and public comment are unnecessary. For the same reason, good cause exists for not publishing this rule at least 30 days before its effective date, as is ordinarily required by 5 U.S.C. 553(d). The SFTA was enacted on November 3, 1990, more than 30 days prior to the effective date of this rule. Therefore, the delegations of authority to the Administrators of the Operating Administrations are effective as of the date of publication of this final rule.
